This is the cost of labor directly associated with duplication of publication, including making paper copies, making digital copies, or transferring digital public records to be given to the requestor on non-paper physical media or through the Internet or other electronic means as stipulated by the requestor.

This shall not be more than the hourly wage of the city's lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in _____-minute time increments as set by the city board (for example: 15-minutes or more); all partial time increments must be rounded down. If the number of minutes is less than one increment, there is no charge.

2. Labor Cost to Locate:

This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. **This fee is being charged because failure to do so will result in unreasonably high costs to the city that are excessive and beyond the normal or usual amount for those services compared to the city's usual FOIA requests, because of the nature of the request in this particular instance, specifically:** _____

The city will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

3a. Employee Labor Cost for Separating Exempt from Non-Exempt (Redacting):

(Fill this out if using a city employee. If contracted, use No. 3b instead).

The city will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to the city that are excessive and beyond the normal or usual amount for those services compared to the city's usual FOIA requests, because of the nature of the request in this particular instance, specifically: _____

This is the cost of labor of a **city employee**, including necessary review, directly associated with separating and deleting exempt from nonexempt information. This shall not be more than the hourly wage of the **city's lowest-paid employee** capable of separating and deleting exempt from nonexempt information in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in ____-minute time increments (*must be 15-minutes or more*); all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

(Fill this out if using a contractor, such as the attorney. If using in-house employee, use No. 3a instead.)

The city will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to the city that are excessive and beyond the normal or usual amount for those services compared to the city's usual FOIA requests, because of the nature of the request in this particular instance, specifically: _____

As this city does not employ a person capable of separating exempt from non-exempt information in this particular instance, as determined by the FOIA Coordinator, this is the cost of labor of a **contractor** (i.e.: outside attorney), including necessary review, directly associated with separating and deleting exempt information from nonexempt information. This shall not exceed an amount equal to 6 times the state minimum hourly wage rate of _____ (currently \$9.25).

- (e) The individual is unable to show proof of prior payment to the city.
- (f) The city calculates a detailed itemization, as required under MCL 15.234, that is the basis for the current written request's increased estimated fee deposit.

- (a) The individual is able to show proof of prior payment in full to the city, **OR**
- (b) The city is subsequently paid in full for the applicable prior written request, **OR**
